

Dear Band Parents,

By using scrip, I have earned enough in rebates since August to pay for my son's Indoor Percussion Fees just by using scrip for our everyday purchases such as dining, groceries and fuel. Setting up an account online and learning a new system can be intimidating or time consuming. This is why I've simplified it for the holidays. Attached is an order form showing various companies, denominations they offer and what percentage they give back. Simply mark the quantity of cards you'd like to purchase for shopping or gift giving and turn in the form by Wednesday, Dec 13th at the concert and you'll receive your gift cards by Wednesday, Dec 20th. The rebates earned can be applied towards your students band fees.

Fundraising WHILE YOU Shop®

Stop selling and start earning! Scrip fundraising is a no-selling program that allows families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

When you use scrip gift cards at your favorite retailers, you're fundraising while you shop. Great Lakes Scrip Center offers more than 700 of the country's biggest retailers, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

The merchants represented are not sponsors of scrip fundraising or otherwise affiliated with Great Lakes Scrip Center. The logos and other identifying marks used are trademarks of and owned by each represented company and/or its affiliates. Please visit each company's website for additional terms and conditions.

Product name changes

Starting Thursday, May 14, the product names we use for ScripNow, ReloadNow, and PrestoPay will be replaced with simpler descriptions like eGift cards, reloading gift cards instantly or overnight, and paying online with a bank account or credit card. This way, you can spend less time explaining what these terms mean and spend more time focused on maximizing your organization's earnings.

Our new mobile app

The new app, which will be available late this summer, will have all the things families love about earning with gift cards, like 750+ brands to shop, bonuses, and anytime access to eGift cards—plus so much more.

Existing families can sign in using their same username and password, and immediately access all their gift cards. It'll be simpler to use. Easier to shop. And quicker for new families to get started.
